

## Principal's Update

11 March 2022

Dear Parent / Carer

I hope you enjoy looking through some of the great events that have been taking place across the Academy over the past couple of weeks. From a pastoral support perspective we have appointed some new colleagues to post. The structure of the pastoral team from Monday 14<sup>th</sup> March will be:

Year	Achievement Leader	W. Officer
Transition	Ms Watkins	
Y7	Mr Martin-Chambers	Ms Smith
Y8	Mr Anderson	Mr Ducker
Y9	Mr McNabb	Ms Cook
Y10	Mr Hollingsworth	Ms Hughes
Y11	Ms Kirkham	

For any general academic queries, please contact your child's Achievement Leader and for anything related to pastoral support, please contact the Welfare Officer in the first instance.

Mr Wood  
Principal

## Bridging Project

Last week, Maltby Academy hosted the first session of the Bridging Project! Year 6 students from Redwood, Lilly Hall, Manor, Craggs and Ravenfield Primary schools visited on Wednesday and took part in an Art taster session with Ms Buckingham. Students also got creative in the Hub and experimented with Arts & Crafts - they created some fantastic masterpieces! We are so excited to welcome students back to the Academy for the second session at the end of this half term!

## Upcoming Events

Next week, we have an exciting series of events planned for Red Nose Day, which is on **Friday 18th March**.

As a school COMMUNITY, we want to raise money for this deserving cause.

Look out for more information from Monday.

## PE Notices & Results

Basketball has now been replaced by Cricket on Monday after school for Y7-Y10.

## SPORTS RESULTS

Thursday 4<sup>th</sup> March – Wednesday 9<sup>th</sup> March

Great performance from the Y9 students

Player of the Match:  
Clayton Busby

Great performance from the Y11 students

Goal Scorer:  
Corey Smith x1  
Sam Davies x2  
Jake Bowers x1

## Department Information

### English

Debate Society started again last week, with a debate on the death penalty with Miss Moore and Mrs Yeardley! Please join us, and teachers from across the academy, to debate fun and interesting current affairs.

Every Wednesday, in the Atrium, 2:35pm-3:35pm.

### Post 16

Y12 visited Coventry University for the day. The purpose of the visit was to show students what University life is like. Students had campus tours, a look at accommodation and engaged with a range of university style Master Classes. Master Classes included Health and Social Care, History, Sport, Construction and Criminology. Our students conducted themselves brilliantly and engaged with all parts of the experience.

### Science

49 Year 11 students visited Sheffield City Hall for GCSE Science Live. There were some really interesting and inspiring talks, as well as picking up some excellent exam tips from a senior examiner.

### Y12 and Y13 Personal Development Week

Y12 and Y13 engaged with our Personal Development week. Students accessed a range of bespoke lessons and sessions. These sessions included Driver Awareness, First Aid, Personal Finance and Microsoft Specialist qualification. Students were also able to access MESMAC, our independent sexual health advisor.

Students also engaged with advisors from Sheffield University. Sheffield University provided independent advice about Study habits, Student finance, Choosing the right route, Applying for courses. This advice was well received by our students and will help during half term 5 and 6 when they start to make decisions for Post 18. Exciting times!

### International Women's Day

On Tuesday 8th March, this week, it was International Women's Day. Our staff shared many positive messages across our Social Media channels during the day.

Not only this, our MA Talk Tuesday's question encouraged staff, students and families to discuss: where can we see divides in society between men and women?

The International Women's Day organisation ask us all to:

Imagine a gender equal world. A world free of bias, stereotypes and discrimination. A world that's diverse, equitable, and inclusive. A world where difference is valued and celebrated. Together we can forge women's equality. Collectively we can all [#BreakTheBias](#). Celebrate women's achievement. Raise awareness against bias. Take action for equality.
