**Discussion topic:**

**#MATalkTuesdays** Is cancel culture acceptable in today's society?

**CATALISE:** Begin the conversation, bring your opinion.

*You will say:*

- I would like to start by saying...
- I think we should consider...
- I would like to add...

**BUILDER:** To add more detail to the original opinion.

*You will say:*

- Building on from...
- I agree, and would like to add...
- We also need to consider...

**CHALLENGER:** To add more detail to the original opinion.

*You will say:*

- Alternatively, we could consider...
- To challenge...
- I understand your point of view, but we should think about...

**TOP TIPS:**

- Use full sentences
- Speak clearly
- Provide evidence or explanation
- Take it in turns

**RESILIENCE**

Learn from failures, use that strength to be better today than you were yesterday.

**KEY DRIVER: RESILIENCE**

**Oracy at Home**

Is Cancel Culture ever acceptable in today's society? Cancel culture shows that we will not stand for offensive or disrespectful behaviour. Or should we be giving people a chance to learn from their negative behaviours? #MATalkTuesdays #OracyAtHome #CancelCulture

## Year 10 Oxford University Residential

On Thursday 31st March, some of our Y10 students departed for Oxford to take part in the Coram Shakespeare Schools Festival. During their two-night residential, students enjoyed a tour of Oxford, a visit to the renowned Bodleian library, and a workshop from the Magdalen Players. The highlight of the trip was undeniably the students' abridged version of Shakespeare's classic, Hamlet, complete with a modern twist. We are blown away by the phenomenal effort and passion the students have shown throughout this experience. The confidence and aspiration shown by the students was inspirational and we could not be prouder. Well done Y10!

## Raising Awareness for Ukraine

The Bridge students have spent the afternoon decorating Ukraine themed cupcakes in hopes to raise awareness and hopefully some donations for the crisis.

## PE Leaderboard Rewards Trip:

On Wednesday 6th April students from Year 7-10 attended Rother Valley to play foot golf and continue to develop the skills they have been demonstrating in PE. Students with the most achievement points in PE were placed in a draw and selected to go on the trip. The students represented the Academy incredibly well whilst at Rother Valley and the effort and level of competition demonstrated in PE was transferred to the golf course; it was great to see the students try a sport that is not played within lessons.

## Rewards Day

All students who have shown exceptional effort, good behaviour and attendance have had the opportunity at the end of HT3 and HT4 to participate in a fun packed reward days. There have been several gold and silver ticket events that students have undertaken including, Segway Experiences, Interactive Archery, Wipeout, Roller Bowler and Strike a Light games as well as more traditional cinema showings, arts and craft experiences, E-Sports afternoon together with ice cream and sweet van stalls.

The Academy had over 300 golden ticket winners and a record 450 silver ticket winners during HT3 and HT4.
