20<sup>th</sup> September 2022

Dear parent/carer

### **After School Enrichment Programme**

We are excited to launch our extensive after school enrichment offer this term. Our staff have committed to a variety of different enrichment clubs, which run from 2.45-3.35pm, each day, after the normal school day finishes.

We are keen for as many students to be involved as possible as we believe that opportunities beyond the classroom can boost their confidence to interact socially with others; extend their social networks and provide them with new – or improved – skills and abilities. Above all, enrichment offers an important space for students to have fun and relax or challenge themselves and achieve what they might not have thought was possible; this can lead to improved mental and physical health.

Students will receive a House point for their attendance at each enrichment club, which contribute to their overall House points total, and subsequent rewards at the end of each half term / term. If you have any questions about our enrichment offer, please direct these to the email address [info@maltbyacademy.com](mailto:info@maltbyacademy.com) in the first instance and your query can be directed to the relevant member of staff.

Yours faithfully

Mrs Owen  
Assistant Vice Principal
