Half Term 6: 5 th June – 21 st July (7 weeks)						Curriculum Manifesto/Principles:			
Week 34	Week 35	Week 36	Week 37	Week 38	Week 39	Our curriculum is built on the understanding that students will be inspired to work in a sector which has a significant impact on the health and well-being of service users and that their ambition to promote excellence in standards of care will be fostered through exploring and experiencing roles within the health and social care sector. •We believe that when students embark on their Health and Social Care studies, their prior knowledge will be informed by core disciplines such as Science, English, Physical Education and Religious Education. Therefore, our curriculum creates time for students to apply subject specific knowledge, skills and concepts to different Health and Social Care contexts . •It is essential that students understand the latest industry requirements and have the opportunity to demonstrate work-ready skills . Students will develop holistically to ensure			
Unit 7: Principles of Safe Practice in Health and Social Care (Assignment 2 LAC & D) Input needs to be done in this time. Learning Aim C: Investigate the influence of health and safety legislation and policies in health and social care settings. Learning Aim D: Explore procedures and responsibilities to maintain health and safety and respond				Type first submission	Type resubmission
