MALTBY ACADEMY

PRINCIPAL'S UPDATE

Dear Parent/Carer

It was great to see so many of you at our Year 9 Options Evening and Parents' Evening where students had a chance to talk about their aspirations and subject choices for GCSE. As you can see in this week's newsletter, we have been focusing a lot on careers recently to help students see the wide range of opportunities available to them in the future. I have been so impressed with how the students have engaged in this process and their plans for the future.

Please remember that Friday 3rd February is a training day, and no students are expected to attend. We break up for half term the following Friday - 10th February.

Have a lovely weekend.

Mr Wood

UPCOMING EVENTS:

- 31 January 2023 – Y7 Parents' Evening
- 31 January 2023 – Flu Vaccinations - Y7-Y9
- 2 February 2023 – Y11 GCSE Science Live Trip

- 9 February 2023 – Y12 Sheffield Crown Court Visit
- 10 – 14 February 2023 – Berlin History Trip
- 12 – 16 February 2023 – Iceland Geography Trip

2022/23 TERM DATES:

FEBRUARY HALF TERM

13 February 2023 – 19 February 2023

Y11 An Inspector Calls trip

On Wednesday 18th January, Year 11 enjoyed a trip to Nottingham Royal Theatre, to watch the play 'An Inspector Calls'. This was a fantastic opportunity to see one of their GCSE texts come to life in its intended form. The show was spectacular and the students behaved impeccably. We hoped you enjoyed it as much as your English teachers did!

BLBW Y9 Construction Employer Encounter

Our Y9 'Better Learners Better Workers' (BLBW) cohort were visited by Construction Professionals from Equans. Equans specialise in a range of Construction services designed to improve building practices in new and existing properties. Equans are operating in our community, working on a number of projects our students could relate to.

The session was particularly informative for our students, highlighting a huge range of potential employment opportunities to aspire to in the construction sector in an ever-changing environment. The session also helped to break stereotypes about roles available in the construction industry and misconceptions about gender. It was also a positive introduction to the industry before we take the group out to visit employers later this academic year.

Careers Speed Networking' Event

On Thursday 12th January, the whole of Year 9 took part in a 'Careers Speed Networking' event.

All students got the opportunity to speak to a number of South Yorkshire businesses and employers, to gain an understanding of the world of work.

Aspirations were high and there was a real buzz about careers and future prospects.

Y9 Options Evening

On Wednesday 18th January we welcomed Year 9 students and parents/carers into the Academy for the Key Stage 4 Options Evening. All staff were on hand to offer support and guidance in their subject areas and there were very constructive conversations taking place all over the Academy with a positive buzz in the air. The Principal, Mr Wood opened with a presentation to a packed hall where the curriculum offer, the options process and further support available were all explained. Students and parents/carers then picked up conversations with teachers again at the Parents' Evening the following Tuesday 24th January in the next step to ensuring all are fully prepared for making their options.
