

NEWSLETTER – ISSUE 7

MALTBY ACADEMY

PRINCIPAL'S UPDATE

Dear Parent/Carer

Welcome to Issue seven of our newsletter. It has been another busy half term at the Academy and as I write this a number of our students are preparing to board the coach to start their long journey to Berlin on the History trip. We also have another group of students heading to Iceland at the weekend – I'm sure they will all have a great time and create memories that will last a lifetime. Closer to home we had a great Maltby Stars event celebrating the amazing effort and hard work that so many of our students put in on a regular basis. A group of students also took to the streets this week for our regular litter pick to help keep their community clean.

I hope this newsletter gives you a flavour of some of the great things our students get involved in outside of the taught curriculum – it's something we are really working on to give our young people as broad an experience as possible while they are with us.

I hope you have an enjoyable half term.
Mr Wood

UPCOMING EVENTS:

10th – 14th February 2023 – Berlin History trip
12th – 16th February 2023 – Iceland Geography trip
28th February 2023 – PCAB Meeting
2nd March 2023 – Y10 Poetry Live trip
7th March 2023 – Y11 Geography Trip - Holderness Coast
7th March 2023 – Y11 & Y13 Parents' Evening
17th March 2023 – Y8 Routes into Careers
20th – 24th March 2023 – Y13 Trial exams
20th – 31st March 2023 – Y11 Trial Exams
28th March 2023 – Buggy Malone rehearsal and show
29th March 2023 – Y10 STEM Magna trip

2022/23 TERM DATES:

FEBRUARY HALF TERM

13th February 2023 – 19th February 2023

EASTER HOLIDAY

3rd April 2023 – 16th April 2023

The Lion King

On Thursday 26 January, the Performing Arts Department took 40 students, predominantly in Year 9, to see the West End touring production of The Lion King at Manchester's Palace Theatre. The performance itself was amazing; actors on stilts moved as huge giraffes, actors with animal masks and large puppets came through the audience as they told the classic story of 'The Lion King' through amazing special effects, costume, and links to the culture within which it is set. The students behaved impeccably, they were a credit to themselves and the Academy.

Maltby Academy (4) v Sir Thomas Wharton Academy (4)

On Monday 30 January, our Y11 Football Team played against Sir Thomas Wharton in a MLT Derby game! The game was hosted at Sheffield FC's home ground, 'The Home of Football'. The evening began with an unbelievable save from Luke H and continued as an intense and competitive fixture. Maltby captain, Billy C, took the lead from a corner after absorbing a lot of pressure but Sir Thomas Wharton came back to take the lead 3-1 at half-time. After a rousing team talk by our Football Scholarship Coach, Ronnie Moore, Maltby, drew on their resilience and came back to draw the game 4-4.

Outstanding goals from both teams made for an exciting occasion for our Year 11s as they sampled life as a potential Sheffield FC Scholar at Post 16 @ MLT.

Speak Out Challenge

In January, 60 of our Y10 students participated in the 'Speak Out Challenge', a workshop organised by the Speakers Trust, to support young people with public speaking. The students spent the morning with Joe from Speakers Trust, learning how to speak publicly, how to structure a speech and how to show confidence. Beyond this, students considered the non-verbal aspects of communication. In the afternoon, the students spent time writing and delivering their speeches to the group. Well done to the winning Y10 students who will go to the assembly final!

It was really pleasing to see our students invested in this workshop and how their confidence grew across the day.

Careers: British Army Visit

Students from Y10 & 12 enjoyed sessions led by the British Army. They were hearing about the many different training options and career pathways available in the British Army.

They represented the Academy well with exemplary behaviour throughout.

NHS Apprenticeships Webinar

Y10 and Post 16 Health and Social Care students, along with Post 16 CAB students participated in a webinar about apprenticeships in the NHS. They were informed of:

- The benefits of patient and non-patient facing apprenticeships.
- The different types of apprenticeships from level 2 to level 7.
- Career progression.
- First-hand information regarding the apprenticeships from ambassadors in Digital Business, Accounts and Nursing Associates.

Litter Pick

We are so proud of the 60 students who volunteered to Litter Pick around Maltby this week, as well as the 200+ others who put their names forward.

The sense of responsibility and community spirit shown by our students is really special. Everyone worked so hard to clean up the local area.

We can't wait to get out again soon!

Maltby Stars

On Tuesday 7th February, the Academy held its second Maltby Stars Event. A further 60 students were successful in achieving this 'Bronze' Award and a further 5 achieved the 'Silver' Award. We are proud and privileged to work with such fantastic young people that are demonstrating what good people they are through their behaviour, resilience and support around the Academy and community.

Well done to all involved.

Careers: Y9 Better Learners, Better Workers - Employer Engagement

Our Y9 Better Learners, Better Workers cohort visited AES Seal, a major local manufacturer, based in Rotherham. Students visited their multi-million pound site, taking a tour of the work areas and offices. Employees at the company taught our students about the products the company makes and all the different jobs they have available. They then provided our students with guidance about apprenticeships and how these lead to jobs across their business and sector.

Scholarship: Football Scholars Sheffield FC Match Experience

Our Y12 and 13 Football scholars attended a match at Sheffield FC, the world's first football club and our scholarship partner.

Our students got a behind the scenes look at how the club operates, listening to a presentation with a Club Historian, and a Q&A with a Community Coordinator.

The match experience was also really enjoyable despite the result and the cold, showing our students a realistic level of football they could aspire to for their next steps in the game.

Careers: Y13 Business Students - Professional Presentations

Our Y13 Business Studies students dressed to impress and pitched their event proposal in our conference room. They had prepared a presentation capturing their ideas for an upcoming Post 16 event as part of their Business coursework.

During a high-pressure session, they showed confidence and resilience, presenting excellently, taking feedback well and engaging in quality discussions to refine their ideas further.

Watch this space for further details about their celebration event during Half Term 4.

Sheffield Crown Court

On Thursday 9 February our Y13 Criminology and Sociology students visited Sheffield Crown Court where they were able to see the criminal justice system in action. The students started their visit by meeting one of the judges who explained their role within the court system and answered some excellent questions posed by our students. Students were given a detailed overview of the roles of different court staff and of trial processes. Following their meeting with the judge, students were able to visit a number of different courtrooms to observe criminal trials and sentencing hearings. Student behaviour was exemplary throughout and they were a credit to the Academy.
