

## YEAR 10 NEWSLETTER | MAY 2023

### Personal Development:

**Assemblies:** This half term has seen a wide range of topics covered in assembly trying to inform students around wider issues in the community and world around them. They are designed to be thought provoking and anti-discriminatory in line with British Values which are delivered at MA to allow students to understand how we live in a modern day open, supportive and multicultural Britain. This half term's topics have been:

**Vaping** – Exploring the danger of the new phenomenon.

**Mental Health Awareness** – Discussing the impact this has on young people and how it can be improved.

**Dementia Awareness** – Raising the profile of the disease and the tragic impact it has on sufferers and family.

**Tommy's Charity** – Looking at the amazing work this charity does for parents in the UK ensuring all women have the right to a health and safe pregnancy and birth.

### ATTENDANCE

Overall attendance in Y10 is a positive picture. We are still above the national average for secondary schools across the country at which is 89.7%. This half term has held steady at exactly 90%. Let's keep the push going to try and increase attendance in Half Term 6.

### Achievement & Behaviour

We are getting to the end of the year and its fantastic to see how much positive behaviour is on show in Y10 lessons and tutor time. Students are getting lesson and pastoral shout outs on a regular basis for all of the Academy's Key Drivers. So far this year, in terms of behaviour for learning, the year group has scored 12,633 positive behaviour points for great conduct and work in lessons.

What is even more pleasing is that 1,886 have come in this short half term since Easter.

The following students have consistently been amazing all year getting in the achieving highly in positive points but also not getting one single negative point. Well done!!!!
