**MALTBY ACADEMY**

### PRINCIPAL'S UPDATE

Dear Parent/Carer

As we finish for the summer holidays, I would like to take this opportunity to thank you all for your support over the past academic year. The Academy is going from strength to strength, and it is such a fabulous place to work, with phenomenal students.

The final half term has seen the induction of our new Year 7 students over two days. These young people made a great first impression with us all and we are really looking forward to welcoming them fully in September. We also said goodbye to our Year 11s at their Prom. I wish them all the best for the future and of course will be seeing many of them again in September as they join our Sixth Form.

The great achievements of our students were celebrated at the Academy Awards and Sports Awards events, that highlighted the depth in talent that we have among our students.

I hope you all have a great summer and a reminder that Year 7 and 12 return on Friday 1st September, with all other years returning on Monday 4th September.

Mr Wood

### Staffing Update

As this academic year draws to a close, we say goodbye to the following staff members: Miss Lawrence – Senior Science Technician, Mr Watson – Football Development Officer, Miss Burgess – Maths Teacher, Miss Stanley – P.E Teacher, Miss Shields – Spanish Teacher, Mr Greenhalgh – Maths Teacher, Mr McNabb – P.E Teacher, Mr Clark – Assistant Principal and Mrs Owen – Assistant Principal.

In the next academic year, we welcome the following staff members to Maltby Academy: Mrs Somerset – Student Welfare Manager, Miss Madden – Student Welfare Manager, Mr Glossop – Football Development Officer, Mr Harrison – Science Technician, Miss Wear – Teaching Assistant, Miss Swift – Cover Supervisor, Mr Hattersley – Apprentice Teaching Assistant, Miss Shephard – Apprentice Teaching Assistant, Miss Watson – P.E Teacher, Miss Snell – P.E Teacher, Mrs Copley – Second in Department P.E, Mr Jones – Teacher of English and Student Achievement Leader Year 7, Mr Campbell – Associate Assistant Principal and Mrs Allen – Assistant Principal.

#### GCSE Results Day

24<sup>th</sup> August 2023

#### Start of new academic year

Friday 1<sup>st</sup> September 2023 – Y7 & Y12 only in the Academy

Monday 4<sup>th</sup> September 2023 – All students

## CPR Event

One of our Year 12 students, George Mason (a fully trained St John Ambulance Volunteer), is completing an EPQ (Extended Project Qualification) course here at the Academy. EPQ is a Level 3 course, which is taken alongside A Levels. In order to complete this course, George is required to do a project on a topic of his choice. This project can be in the form of an artefact or an essay; George has chosen for his project to complete an artefact on CPR (cardiopulmonary resuscitation). George is aware that not many students are able to deliver effective CPR, so the aim of his EPQ project is to raise knowledge and understanding as to how to perform CPR effectively.

George delivered fantastic 30-minute sessions to Year 8 students on how to identify if someone is in Cardiac Arrest and how to perform hands-only chest compressions to give people the best chance of survival before the arrival of an ambulance.

## Cubana Trip

On Friday 23 June, 20 students in Year 10 and 12 went on a trip out for lunch to Cubana Tapas Restaurant in Sheffield. After a lesson the day before with Y10 practising how to order food and drink in Spanish, Miss Shields and Mr Giron were extremely impressed to see such confidence from the students when they were ordering their food in Spanish and speaking Spanish to the waiters and waitresses. All students tried some typical Spanish dishes and thoroughly enjoyed them as there was nothing left at the end! A good time was had by all students and staff and the students were excellent representatives of the Academy. A special shout out from Miss Shields for the singing on the bus home! ¡Buen provecho!

## Y5 STEM Transition

During the Y5 STEM transition day the students task was to protect an egg using materials which they had to purchase with their limited amount of tokens. The protected egg was then dropped from a balcony and the winning team was decided upon based on whether their egg survived, whether the team budgeted well, and whether their design was strong.

## Y11 Prom 2023 – Hellaby Hall Hotel

What a night! The Year 11 Prom was held at Hellaby Hall this year. Students arrived at the Prom in different modes of transport, ranging from a horse and carriage, through to a Ferrari. All the students were a credit to Maltby Academy and themselves. What an unforgettable way to celebrate all their hard work during Year 11. Well Done from the Year 11 Team, Tutors and Staff.

## Y9 Better Learners Better Workers

Over the course of this year a few students from Year 9 have been a part of the 'Better Learners, Better Workers' scheme. This has exposed these students to a range of employers and exciting opportunities in hope to support students with their next chapter of creating their future pathway. The students have been open minded, engaged really well and learnt lots of key skills and knowledge. Mr Ducker, Mr Anderson and Mr Boon attended the Cutlers Hall where the students were presented with a certificate of their achievements as part of a graduation of the scheme. All at MA are extremely proud of these students.

# Sports Awards 2023

Absolutely fantastic afternoon celebrating the sporting successes of our students at the Sports Awards 2023 on Wednesday 19<sup>th</sup> July 2023. Massive thank you to our guest speaker, Bobby Madley @FA\_PGMOL Such brilliant messages being shared to our nominees and winners #confidence #aspiration 🏆
