

Y10 Newsletter

NEWSLETTER – April 2024

Dear Parent/Carer

We are into the final term of Year 10, and the Year 11 students will begin their final GCSE exams in the next few weeks. By the end of this term the Year 11 students will have left Maltby Academy and our Year 10s will become the oldest students in the lower school. I know the fantastic cohort of students we have in Year 10 will rise to this responsibility and will begin to make strides towards outstanding results next August.

In addition to this, students have begun or completed coursework in a variety of subjects including Business, Sport, IT and Health and Social. These coursework units are assessed and will count towards students' final grades. The hard-work, focus and commitment that students showed to this coursework was outstanding, and shows the potential the young people in the year group have to achieve superb results.

With the above in mind, we are continuing to highlight the importance of impeccable behaviour and attendance for all students at this crucial time in their education. We would also like to thank all parents and carers for their continued support of students this year so far, and we look forward to continuing to celebrate the progress and successes of students towards the end of the academic year.

Kind regards,
The Year 10 team
Mr Anderson – Student Achievement Leader
Miss Madden – Student Welfare Officer

Y10 Parents'
Evening
Tuesday 23rd April
16:00-19:00

Raffle tickets

If your child comes home with a raffle ticket, please congratulate them!

Students can be rewarded with a raffle ticket by staff for being kind, courteous and polite around site.

These can be traded in for chances to win fantastic prizes!

The enrichment timetable is listed below.

Staff give up time every week to provide outstanding enrichment opportunities for students. Listed below are all the enrichment options available, including sports, clubs and even the opportunity to learn British Sign Language! Students will also receive positive points for attending an enrichment club.

OUR VISION

Delivering exceptional learning experiences that enable all young people to thrive in a competitive world and lead successful and fulfilling lives.

OUR KEY DRIVERS

- RESILIENCE**

Learn from failures, work through problems and never give up. Be better today than you were yesterday.
- ASPIRATION**

Aim high and set yourself challenging goals both academically and personally. What does the future hold for you?
- COMMUNITY**

Accept support and offer it. Give something back to the Academy and the community.
- RESPONSIBILITY**

Be responsible for your actions, celebrate successes and learn from your failures. Do not make excuses.
- CONFIDENCE**

Don't be afraid to get things wrong. Believe in yourself and your abilities and step outside your comfort zone.

Assembly and Tutor Time focus

In assembly over the past few weeks there have been a variety of topics covered, including International Women's Day, Ramadan and Coping with Stress.

Students have also had engaging Character Education sessions around key topics such as staying safe online, the importance of teamwork and global recycling day.

In VotesForSchools sessions, students talk about key topics related to the current news cycle, such as sessions on AI-generated content, who will be the first smoke free generation and are adults equipped to teach about the online world,

Year 10 Maths Feast

Miss Taylor took eight students to Oakwood to take part in the Rotherham Year 10 Maths Feast. There were five different schools from around Rotherham and Maltby were the winners! Congratulations to all who took part.

Attendance in Focus

With our Year 11 students about to start their GCSE exams, Year 10 are weeks away from becoming the oldest students in the 11-16 portion of the school. This also means that mock exams, coursework units and revision sessions will begin to take place throughout the Academy day.

Please can you ensure you are sending them in every day where possible. Year 10 is such a vital year for the learning and development of all students due to this being the main year they learn material for their GCSE exams in Year 11. Each day they are missing, they are losing out on important information for each lesson. We have 12 school weeks left of this academic year before Year 11 so this is the final push.
