

## Y11 Newsletter

## NEWSLETTER – April 2024

Term 2 was a huge success which saw massive strides being made by the year group towards achieving their full potential in this year's summer exams.

We saw an increase in our weekly attendance 93% beating our previous best by 1%! Our aim is beat our best of 93% to set a new target this half term.

### Post 16 Taster Day

Is there a better way to end half term 4 than a venture into what life is like as a Post 16 student at Post 16 @MLT?

Thursday 28<sup>th</sup> March saw our Year 11 cohort experience an amazing taster day with both academic and careers focussed session that catered for all students.

From criminology to CV writing there was ample opportunity for students to gauge an interest in what is out there for them when they leave the Academy this summer,.

The day was a huge success filled with insightful inspiring conversations that saw many of our students step foot towards picking the right path for themselves. It was brilliant to see our Y11 students engaging with our Post 16 provision and we look forward to more experiences such as this.

### Prom Update

Y11 Prom is fast approaching, and as the time draws closer, we wish to update you on the finer details.

This year's Prom will be held at Hellaby Hall Hotel on Tuesday 2 July 2024.

Tickets were released on the 25<sup>th</sup> March 2024 and are at a cost of £40. Tickets must be paid in full, the deadline for payment will be the 26<sup>th</sup> April 2024. If you have any issues around payment or wish to discuss this further, please contact one of the Y11 team either Miss Copley - Student Achievement Lead or Mrs Kirkham - Student Welfare Manager who can pass any queries onto the finance team.

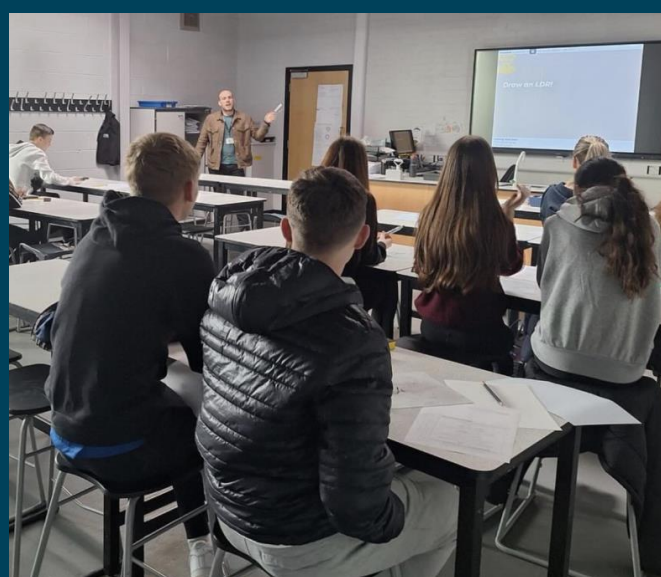

Included in the price is a three-course meal, a mocktail on arrival, red carpet entrance, ample picture opportunities with access to a professional photographer, a selfie booth, DJ and much more.

The Year 11 team are aware of how important Prom is to students. At the start of the year, we set our expectations at attaining 92% attendance and an average of below 0.5 behaviour points per day. We are edging closer to the summer exam season and some of our Year 11's have made massive strides towards maintaining a high standard of behaviour and attendance in which we saw our highest attendance to date as a cohort, 93%.

# Easter Revision

During the Easter holidays we saw an influx of students dedicated to investing in their learning across a variety of subjects within the curriculum. As you know the exams are fast approaching and the Y11 team would like to commend students for their efforts over the Easter holidays. Throughout half term 5 we want to continue to support your child with their revision so they can achieve their full potential and will be looking to implement a number of P5 sessions throughout the weeks in the run up to exams.

We understand that some students will have had other plans during Easter, and we ask that you encourage them to attend as many sessions as possible so that they do not miss out on further opportunities to excel in their learning. These P5 classes are run by their class teachers who know their needs the best.

In the run up to exams many of our students may be feeling the overwhelming pressure that exam season can bring.

Please use the following contacts if you need any extra support.
