A note from our team

Hello Maltby Academy, welcome to the first edition of our school student led magazine!

Our group has worked very hard to create a fantastic magazine for you all to read.

Alongside our enrichment team, thank you to those who have got involved in the making of the magazine and THANK YOU for being a part of our Maltby Academy community!

We've been busy!

Y11 maths on the gate and walking, talking mocks

New Y7's have made a great start

Lots of assemblies

House challenges every Friday!

Y7's took part in restart the heart day!

Better learners, better workers visited the Cutlers Hall.

Community Action Task Force, help with the food bank.

Eco section

Don't be bitter — pick up your litter!

We went on a litter pick around school and couldn't believe how much rubbish we found — over **200 pieces** in total, including a whole pair of socks!

So, what did we find the most of?
Plastic water bottles!

Everyone can help — bring a **reusable bottle** instead. It's cheaper, easier, and way better for the planet!

The Parade

The dog walks with the cat ,the penguin and the seal to Briley beach. Through the crowd of colourful dancers skipping down the lane . Once they reach the beach the penguin slides on its stomach. Down to the bright, blue sea it goes. Hunting for its next meal. The cat wanders home. It's time for its daily prowl upon the curtains edge and upon the sofa it scowls at its owner. The dog saunters home to its fireplace bed and its loving family. The fluffy seal is left alone. Wondering. Waiting . Hoping its mom will return to bring it home.

Thank you for reading!

We hope you have enjoyed reading the first edition.

We would love to hear what else you would like to see in the next edition of the school magazine!
