We would like to thank you for your continued support and patience during these challenging times and I hope that this letter finds you safe and well. As you are aware, from Monday 22nd June 2020, we will be commencing our on-site subject teaching for Year 12 students and this letter provides more detailed information relating to this and the next steps.

From 22nd June students will access lessons at both Sir Thomas Wharton Academy and Maltby Academy in all of their option subjects, depending on where they are currently taught. Individual student timetables will be emailed to students directly, giving them the information they need about the classes they have been allocated, the timings and the rooms.

Students will have to make their own way to their lessons, there will be no transport provided between sites due to social distancing rules.

The teaching sessions will take place at both academies from **9.20am– 11.50am** for a morning session or **12.30pm–3pm** for an afternoon session. Students will be based in one classroom for the duration of the session, which will include a 10-minute break in between. Students will leave the site when their session has ended and there will be no access to the Post 16 student common areas during this period.

At Maltby Academy, the entrance for Year 12 students will be through the gate at the side of the main reception.

At Sir Thomas Wharton Academy, the entrance for Year 12 students will be through the door at the end of the Art block.

Students must arrive promptly as they will not be permitted to enter the site if they are late.

The work undertaken in these on-site sessions will be in addition to the current work being set through Microsoft Teams/Google classroom, as well as the one-to-one feedback that is provided by email across a range of subjects.

Attached to this letter is a series of FAQ's regarding the return to the Post 16 provision and if you have any queries please do not hesitate to contact me at a.savage@stwacademy.com

Yours faithfully

Miss A Savage
Assistant Vice Principal Post 16
