

YEAR 10

NEWSLETTER – JAN 26

Dear Parents and Carers

Firstly, I want to commend the students in Year 10 for not only their hard work through the year so far, but also their resilience shown during the start to the year that was impacted due to the water leak in Maltby. Students showed fantastic engagement in their live lessons.

The coming terms are particularly important as it involves new GCSE content in all lessons, as well as coursework in some option subjects that will count towards final grades at the end of Year 11. Students have a real opportunity between now and the summer to make their time in Year 11 significantly easier by starting the hard work now!

Please note a couple of dates for your diary – Y10 Parents' Evening is Tuesday 5 May 2026 and Year 10 Mock Exams start on Monday 22 June 2026. In addition, as parents and carers are aware, we have work experience for all Year 10 students taking place from Monday 13 – Friday 17 July 2026, in the last school week of the year. This is an opportunity for students to experience life in the workplace and presents a huge opportunity. Students are responsible for sourcing their own work experience placements however staff are able to advise on potential suitable placements. If you have any questions or concerns on this, please email info@maltbyacademy.com

Mr Anderson
Year 10 Student Achievement Leader

MALTBY'S GOT TALENT

As part of our ongoing rewards programme, students were invited to participate in a talent show in the last week of the year. Student performances ranged from dancing, singing and even a stand-up impression routine involving impressions of staff members.

The winning act, Petrikore, are a band comprising of 4 students who performed Supersonic by Oasis.

Congratulations to all students who got involved, it took real guts to get on stage and everyone's performances were incredible!

ISSUING A CONCERN

If students have any concerns around safeguarding, they are invited to submit a confidential concern card either on the Maltby Academy website or getting a concern card from their tutor group. They can complete it and hand it to their tutor or drop them in the concern boxes stationed around the Academy.

Please ensure your child is aware of this service to support safeguarding at the Academy.
