House System Update!

House Week

Throughout the year, there are different **House events** for you to **get involved** in from sport competition to quizzes.

(There is something on offer for **everyone!**)

There are new competitions each week organised by different departments called '**House Week**'.

This will be online this year on Show My Homework.

You can win '**House Points**' for just taking part... But, if you place **1st 2nd or 3rd** you win **lots of house** points in one go!

RETURNING ON WEEK OF 12th OCTOBER

House Week

Week 1 – 12/10/2020

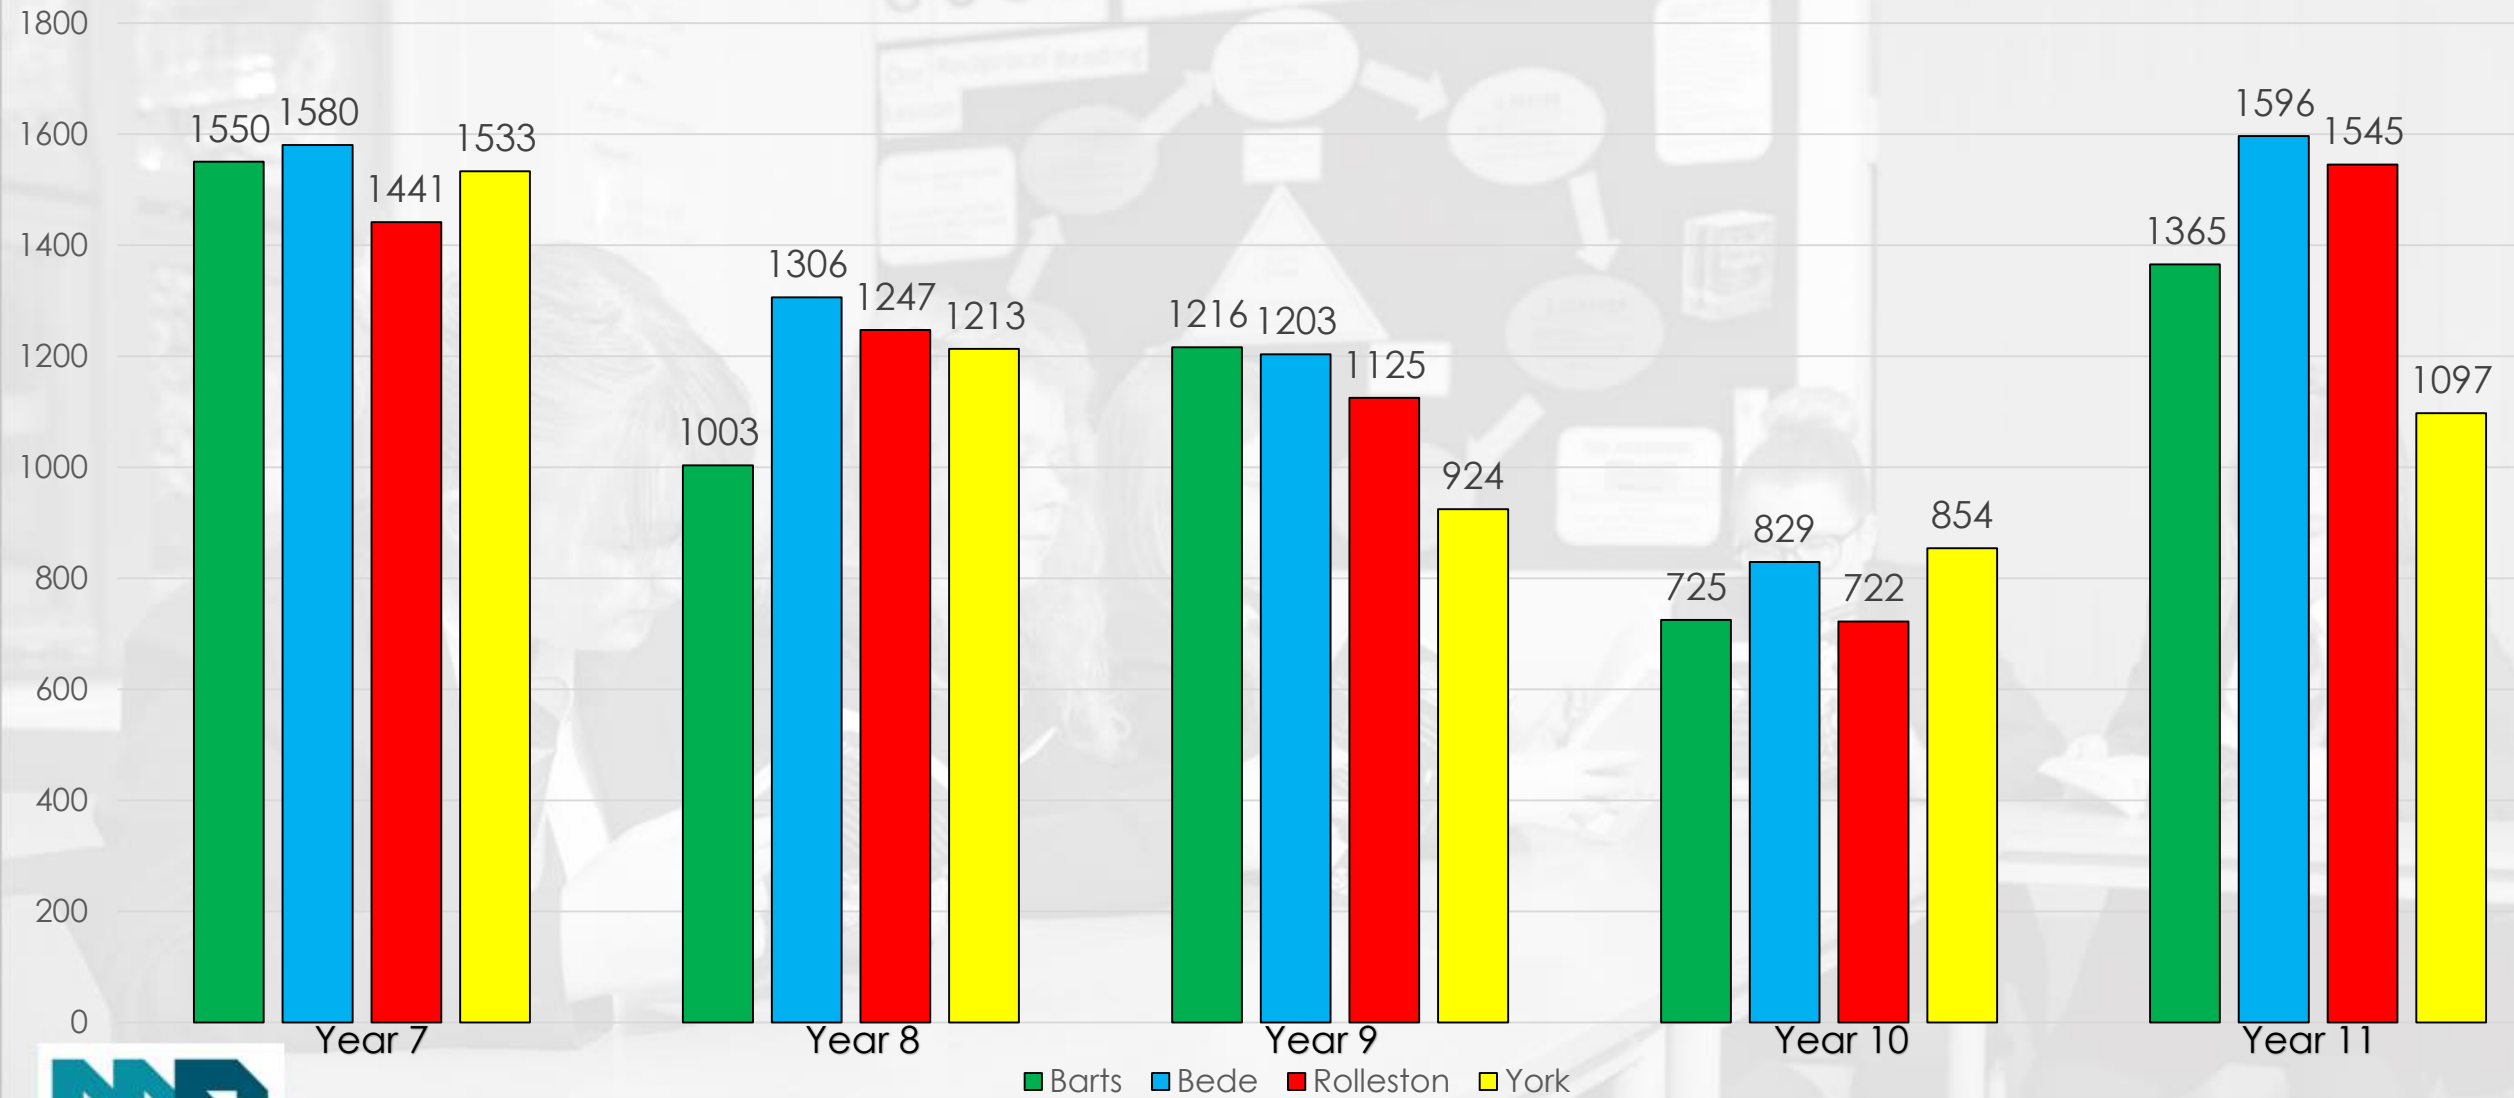

We have our house names and colours... I am now asking you to come up with a **house slogan!** So we need one slogan for each house meaning **FOUR OPPORTUNITIES TO WIN!**

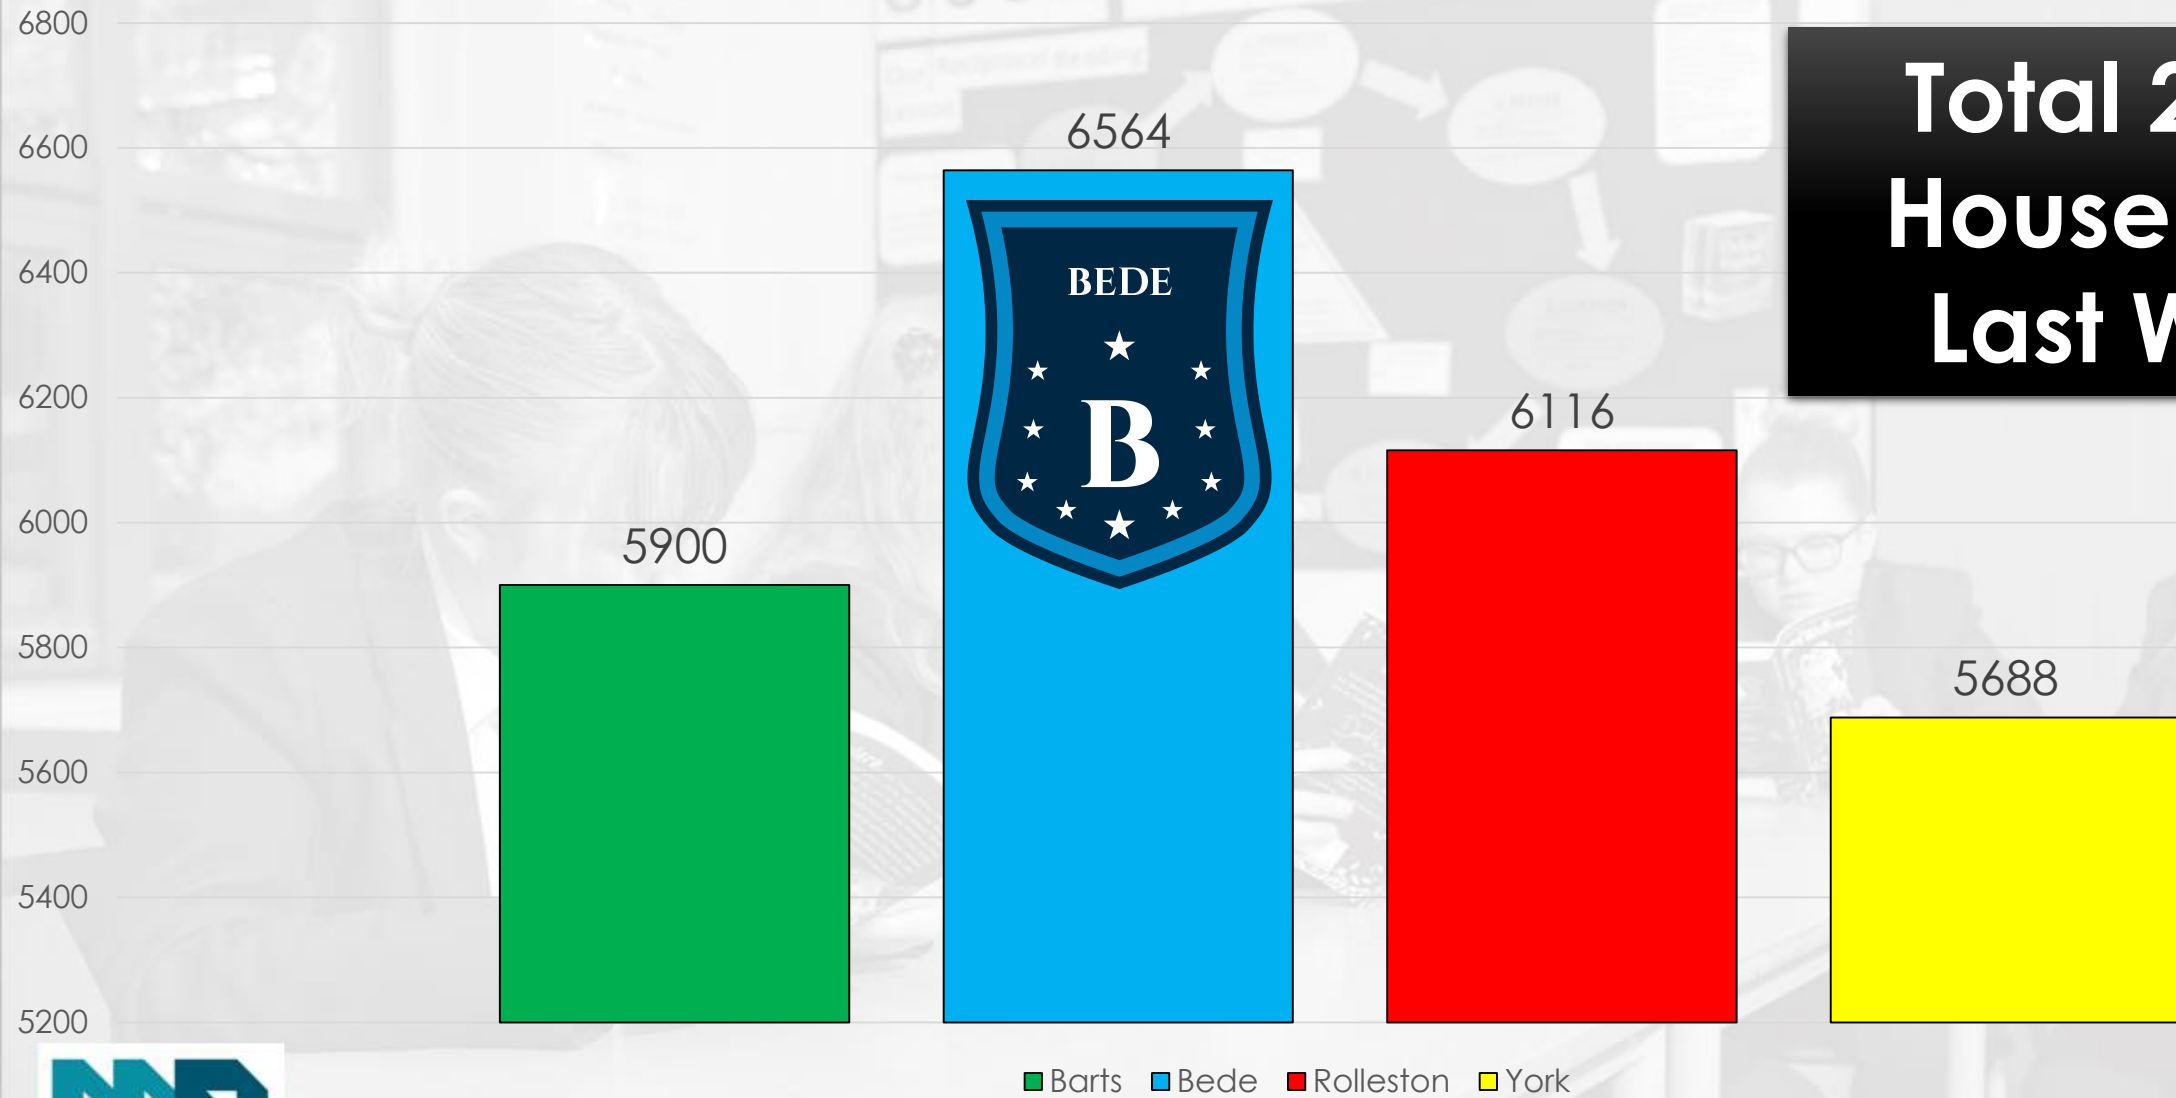

On **Show My Homework** I have set this task, there are some suggestions for words to use to help you. Please submit your responses via Show My Homework or email to me 😊 **GOOD LUCK!**

This year, each house nominated a chosen charity to support.

Students ran bake sales, a valentines sweet delivery service and more! It was amazing to raise **money for charity**, and we all had **fun** doing it. If you have any ideas of charity events you would like to run/take part in. Find and we'll sort it together.
