

Sheffield FC 2021 Scholarship Package (small bundle) – kit order process

All players have an opportunity to purchase their own training and pre-match kit for the 2020/21 academic year. It is **not** a mandatory requirement to purchase this kit. Delivery of kit can take up to 28 days – in most cases, it will be delivered quicker than this.

In order to receive the kit in time for the season it would be beneficial to order it as soon as possible.
