Equality Objectives

At Maltby Academy, we strive to embed equality, diversity, inclusiveness and belonging into everything that we do, not just to meet our statutory requirements.

We pride ourselves on being a welcoming and inclusive Academy with a real commitment to continually raising awareness of equality and diversity and minimising discrimination and prejudice.

The Equality Act 2010 places a general duty on public sector organisations to:

- Eliminate unlawful discrimination, harassment and victimisation.
- Advance equality of opportunity between people who do and do not share a protected characteristic.*
- Foster good relations between people who share a protected characteristic and those who do not.

*The nine protected characteristics are:

1. Age
2. Disability
3. Gender
4. Gender reassignment

- 5. Marriage and civil partnership
- 6. Pregnancy and maternity
- 7. Race
- 8. Religion or belief
- 9. Sexual orientation

Equality Objectives - Staff

To recruit and develop a highly skilled workforce that has a greater diversity than the community we serve.

Why this objective?

Maltby does not have an ethnically diverse community with the vast majority of the population White British. Only 3% of Maltby residents are from a BME community, well below the Rotherham average of 8.1%. In order to better prepare our students for life in modern Britain it would be beneficial for them to be exposed to a more diverse academy staff profile.

	Percentage	Rotherham Average
White British	97.0%	91.9%
Other White	1.3%	1.7%
Mixed	0.9%	1.0%
Asian	0.6%	4.1%
Black	0.2%	0.8%
Other	0.1%	0.5%

To review and eliminate all practices across the academy that may lead to discrimination, harassment or bullying of staff.

If we are to recruit and retain a highly effective, diverse workforce we need to ensure that all colleagues feel valued, supported and enjoy coming to work.

To ensure that academy leadership positions are representative of the diversity of the workforce.

Why this objective?

Senior leadership positions in the academy are not representative of the staff as a whole. The academy has a majority of female staff (both teachers and associate professionals) but a majority of male leaders. Although there is limited ethnic diversity across the staff as a whole, all senior leaders are of White British heritage.

Why this objective?

Students from disadvantaged backgrounds continue to perform less well in GCSEs, therefore limit their life choices beyond the academy.
