Curriculum principles:

- Foster pupils' curiosity, creativity and appreciation of other languages and cultures.
- It provides students with the skills to communicate in both speech and writing with people around the globe, whilst developing essential cross-curricular skills.
- Language learning is not the study of Spanish language alone, but a cultural experience.
- Our students develop an appreciation of hispanophone countries through language, music, history and geography.
- Our students experience a broad range of high-quality authentic texts in a variety of formats including videos, novels, songs and newspaper articles.
